This is dailyme TV

dailyme TV brings popular TV programs, series, shows and films in best quality to your customers' devices in Germany, Austria and Switzerland. The digital content is supplied by dailyme TV to your hotspot so that your guests can access it even with a weak internet connection. The only prerequisite is that users install the dailyme TV app on their smartphones, tablets or notebooks. Once a film, series episode or TV show is downloaded to the device it can be watched right on the spot or even later on when the user is out of reach of your Wi-Fi hotspot.
